You are to report to the self-marshalling zone 4 – 6 heats prior to your own, so you are ready to go and can be verified by the SGC check starter as swimming. At the discretion of the referee, you will then be placed into another heat, if possible.

Team managers may be utilised by each club to assist swimmers throughout the day. Please assist your team managers by listening and ensuring you are paying attention to their given directions. Team managers will be made up of club parents or coaches, so please make yourself known to them on arrival.

Timekeepers

Swimming Gold Coast and the swimmers thank you for generously volunteering your time during today's event.

Please sign in using the QR Code prior to you starting your timekeeping duties.

Pool Protocols

Timekeeping is a very important role to ensure each swimmer gets a time for their swim. We please ask that whilst undertaking your timekeeper duties you focus on the job at hand and ensure all swimmers have that equal opportunity.

Timekeepers are required use both the red plunger attached to the block and a manual stopwatch, both as a backup for the Quantum system. Some swimmers unfortunately do not hit the touchpad with enough force to activate it and this is where your backup time is utilised – **thus it is VERY important you do this correctly.**

Timekeepers will start their manual stopwatch when they see the flash of light from the starting device. It is the timekeeper's responsibility to position themselves for each start so that they have unobstructed view of the starting device. There is no other device to start.

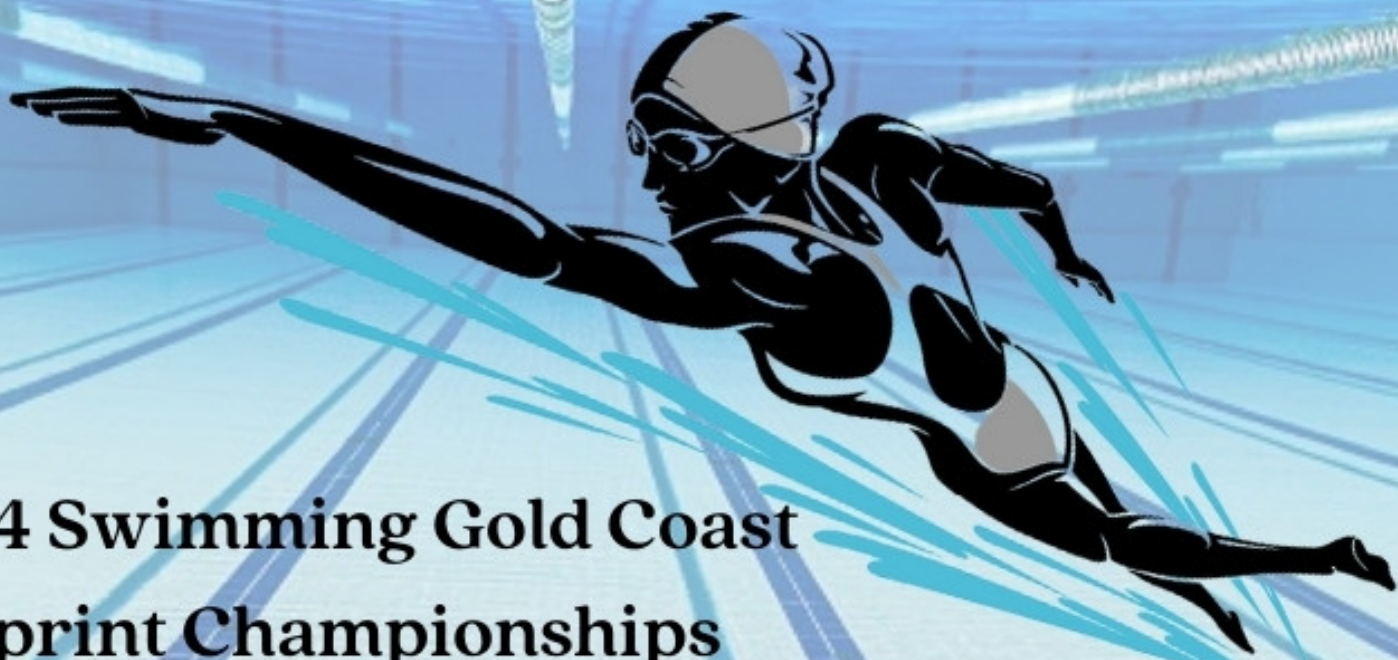

Timekeepers will all please move forward together as the lead swimmer of the heat in the water is at the 15m mark (false start rope – the change in the lane rope colour) on the last lap of the event. This is regardless of where your swimmer is in the pool, unless you have no swimmer in your lane and you don't need a time. **Please avoid putting your feet on the black top of the touch pads.** Please, carefully, lean over the edge to see the finishing wall. Both the Red plunger and the manual stopwatch need to be pressed at the instance any part of the swimmer's body contacts the finish wall.

When you have taken the time for the swimmer in your lane, you should return to your chair in readiness for the next race and write the manual time on your lane sheet. This time may need to be collected by a technical official if there is an issue with the time provided by the touchpad and/or plunger.

While swimmers are waiting to start a race, please do not talk to the swimmers unless they address you first. All swimmers are different, and some may not like their focus disrupted.

PLEASE NOTE: there are no mobile phones to be used on pool deck for phone calls, or as a camera and if you are carrying a phone, please ensure it is on silent only. If you are expecting an urgent call, or need to leave pool deck for any reason, please try to organise a replacement for your position, or please advise the Chief Timekeeper.
