Thank you

Swimming Gold Coast wishes to thank the following people and/or organisations for their support and contribution to this meet and also to swimming on the Gold Coast in general:

- ✚ Gold Coast City Council Aquatics Department
- ✚ Our Clubs and their swimmers and coaches who make this Meet possible.
- ✚ All our Officials and Committee Members who volunteer their time to make it possible to run the Swim meets on the Gold Coast.
- ✚ Volunteers are vital to grass roots sport and SGC would also like to thank the volunteers that will timekeep, run results, announce, provide medals, and keep everyone fed throughout the weekend.
- ✚ SGC would also like to thank all parents who drive, feed, support, congratulate and encourage their swimmers as well as those that pitch in and help with timekeeping, refreshments, program selling, fundraising and other activities, not only at this event, but at all club events across the Gold Coast swimming community.
- ✚ And mostly, the swimmers. Thank you for your hard work, dedication and effort in becoming better people, whilst gaining lifetime memories and friendships through your participation and fulfilment of your potential in the pool.

Notes for the Day

1. This Meet will be conducted under the Swimming Queensland General Rules, SQ Championship By-Laws, FINA and SAL rules.
2. All competitors must, at the time of competing, be registered Competitive Members of a Swimming Club, which is duly affiliated with both its Regional and State bodies.
3. This is a closed Meet for members of Swimming Gold Coast Clubs only. However, swimmers of another Federation are permitted to swim in a club team, however, the swimmer must be training within the region and club head coach must confirm.
4. The age of competitors shall be as at the 15th July 2023.
5. On the day late entries will NOT be accepted, under any circumstances.
6. Saturday and Sunday warm-up commences at 7.30am and the first race will commence at 8.30am.
7. Dive starts and pace work will be allocated for Lanes 0 and 9 at both sides of the pool.
8. The entire southern end of the pool has been hired by Swimming Gold Coast to utilise as a warm-up / warm-down swimming area. **The diving pool is out of bounds for swimmers.**
9. The Pool Deck area must be kept clear to enable all Officials to carry out their duties during the running of the Meet.
 - No person shall walk on the pool deck between the pool end and the timekeepers.
 - No person shall walk along the poolside during any event.
 - No person shall enter the water between races unless instructed to do so by an official.
10. This Championship meet will be presenting medals and age champion awards as per the information provided below in the 'Awards' section. Age Champions will be presented at the conclusion of events for that particular age group.
11. Spectators are able to enter the facility for this event at a cost of \$3.30, paid at the entrance. Given the restricted area for this meet, we please ask that parents sit in the area on the top level of the concourse on the Broadwater side (as per the seating plan).

12. There will be a BBQ available on both days, provided by Emmanuel College Swim Club in the area to the south of the kids water playground. **NOTE: the water playground is out of bounds on the weekend.**
13. There is usually a coffee cart available at the front entrance of the facility at the road level, near the car park. This, however, is not affiliated with SGC in any way. Also, Café Catalina is also open to all facility users.
14. In nominating for this Meet, swimmers agreed that they may be photographed by Swimming Queensland, Swimming Gold Coast and the Club approved photographers, that the images may be displayed for viewing and purchasing on site during the Meet and on the photographer's secure website after the Meet, and that they may also be used by Swimming Queensland, Swimming Gold Coast and the Club at its discretion.
15. In nominating for this meet, swimmers and their parents / guardians also acknowledge their acceptance of the SGC Code of Conduct, found on the SGC website – [HERE](#).
16. The Diving pool is **OUT OF BOUNDS** for the meet.

Competitors' Notes

17. Self Marshalling will be used for these Championships and swimmers will need to be in the self-marshalling zone at least 2 heats prior to the commencement of their heat for 200m events and over or 4 heats prior for 50m and 100m events. It is the swimmers' responsibility to keep track of proceedings and to be in the self-marshalling zone at the appropriate time, as well as collecting their belongings. **SWIMMERS ARE NOT TO WAIT BEHIND THE BLOCKS MORE THAN 3 HEATS IN ADVANCE – THEY MUST BE IN THE SELF MARSHALLING ZONE**
18. The 'one start' rule will be used at this meet.
19. The swimmers will position themselves behind their lanes, prior to the start. Check starters will be in attendance for swimmers, if required.
20. The Referee will call the swimmers to their position on their blocks with a long whistle blast.
21. For Backstroke events the swimmers will enter the water, feet first, on the first long whistle blast. Upon the second whistle, swimmers will assume their starting positions.
22. The Starter will call "take your marks"; the swimmers will assume their starting positions and remain stationary until the starting device is sounded.
23. Any swimmer may be disqualified if he/she delays the start or willfully disobeys an instruction from the Starter.
24. At the completion of each heat, swimmers will remain in their lanes until the final swimmer has completed his/her swim and will leave the water immediately following the start of the proceeding heat, or when directed to do so by the Referee, **by the side of the pool.**
25. If you miss your heat, you are to quickly make your way over to the Help Desk to report the incident. The referee will then decide if you can be allocated into a new heat to swim. This is not guaranteed, and you should be aware of when you are required to swim.
26. All events are being run as timed finals.
27. Heats / events may be combined at the discretion of the Referee.
28. All protests are to be submitted in writing by the responsible team manager together with a \$100 deposit to the Referee no later than 30 minutes after the announcement of the results or disqualifications. Forms can be found at the Help desk, situated at the start end of the pool on the Broadwater side of the complex.
29. The Referee will be the sole arbitrator of all disputes and their decision will be final.

Check-In Times

30. All events of 400m and over (400m IM, 400m Free, 800m Free and 1500m Free) require swimmers (or their Coach / Team Manager) to confirm their intention to swim at the Help Desk a minimum of one hour prior to the published start time of the relevant event. Failure to confirm their intention to swim WILL be taken as a withdrawal. Confirmed swimmers should then follow the self-marshalling procedures.
31. Swimmers competing in the 800m and 1500m Freestyle events **MUST** provide details of their lap counter and timekeepers whilst checking in at the help desk. Swimmers will not be able to check-in without confirmation of an organised lap counter.
32. Any swimmer who has not confirmed their intention to swim one hour prior to the published start time for the relevant event may be deemed a withdrawal and the event may be reseeded.

2023 SGC Short Course Championship Meet

COVID INFORMATION

In nominating for and competing in the 2023 Swimming Gold Coast Short Course Championships, you agree to adhere to the below COVID-19 Information. If you are found to be in obvious and reckless breach on any of the conditions, you may be withdrawn from your events and / or asked to leave the facility.

COVID INFORMATION

As per current QLD Chief Health Officer Public Health Directions – found [HERE](#) - Attendees are no longer required to check-in via the Check-In Qld App to gain entry. There are no vaccination requirements under these health directives. Masks are no longer a requirement, however, if you are more comfortable wearing them, then that is at your own discretion.

DO NOT ATTEND IF:

- You have tested positive for COVID within the last 7 days
- You are experiencing any symptoms of COVID19
- You are experiencing any cold or flu like symptoms or feel unwell
- You have been tested for COVID19 and have not yet received your results
- You have been deemed a close contact with a positive COVID19 case within the last 7 days

Everyone is currently still living in a remarkably different social environment than what is historically been considered as normal, due to COVID-19. **At this present time, there is a significant risk due to the prevalence of numerous variations of the Omicron strain of COVID.** There are enormous public health concerns at this time about the ease and speed of the spread of these strains of the virus, there are no current restrictions from the Queensland Government. However, there are numerous recommendations for mask wearing in congested or indoor areas and SGC are fully supportive of people implementing these measures to ensure their own safety.

IMPORTANT INFORMATION

Below are the key pieces of information that active participants (coaches, swimmers, team managers, technical officials and volunteers) need to know prior to and at the event.

Venue Access - Entry Procedure

Entry will be through the main entrance to the Gold Coast Aquatic Centre.

Gates will be open for all attendees from 7.00am on Saturday and 7.15am on Sunday. The facility will be open prior to this for SGC Officials and event organisers, however, **PLEASE DO NOT ATTEMPT TO GAIN ENTRY INTO THE FACILITY PRIOR, if you are not part of the event team.**

Allocated Seating Areas

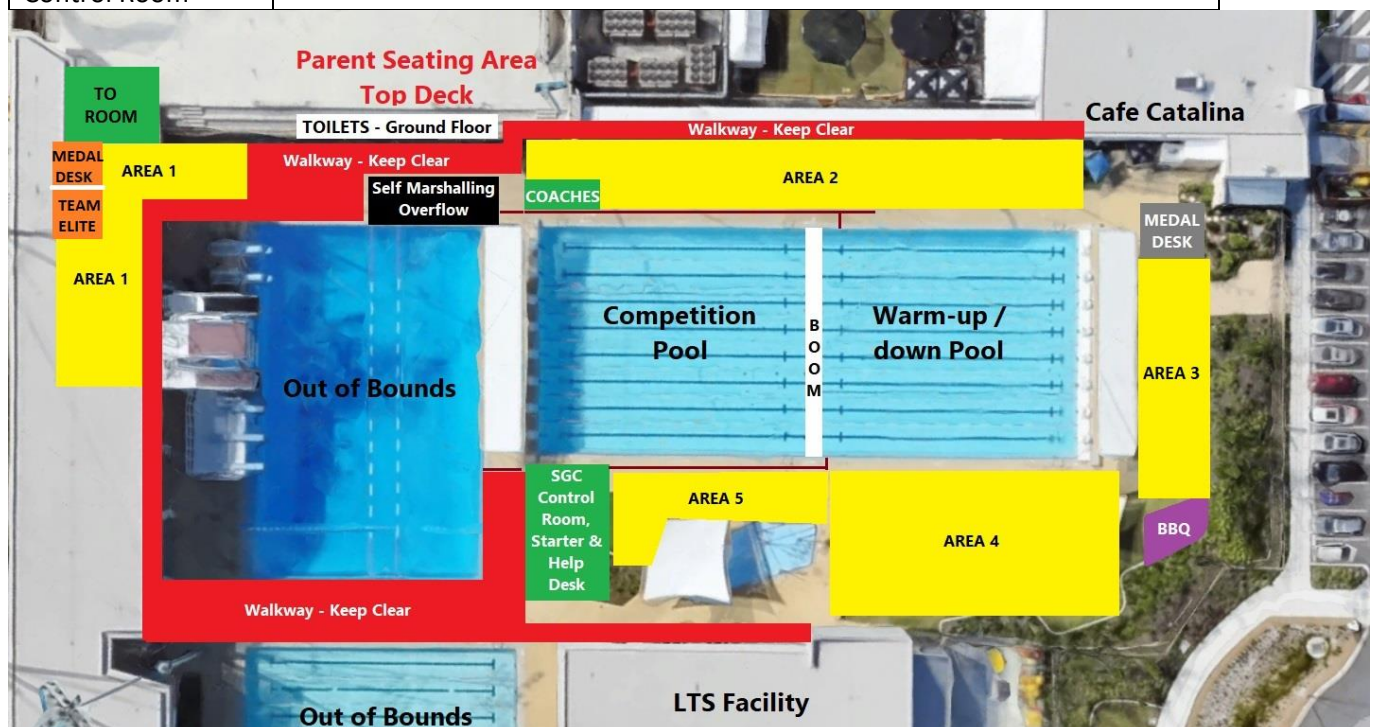

Each club has been allocated to a specific section of the pool to be used throughout the duration of the meet. It is **important** for swimmers / coaches and team managers to sit in their clubs' allocated section. Due to the large numbers of entrants, seating will be particularly tight, so please be mindful of others when setting up and keep your own personal space to a minimum.

NOTE: tents will be required in all areas (area 1, partially in the open – toilet entrances to remain clear). Tents MUST NOT be brought into the facility prior to Saturday morning. ALL tents must also be secured with weights as pegs are not to be used. Also, when setting up tents, they are to be set up with as narrow a footprint as possible, with the second tent (if applicable) placed behind the first tent, NOT alongside it.

Areas have been allocated accordingly:

Saturday & Sunday (Location allocations the same on both days)

Area	Clubs (no. of active participants)
Area 1 – Under concourse and in front of spa area	St Hilda's, TSS
Area 2 – Between walkway and pool	Emmanuel, Helensvale, Miami – please make area 6m x 6m before expanding wider
Area 3 – Southern end of the pool	Belgravia, Bond, Griffith Uni, Gullivers Coomera, Kennedy Pacific, Superfish, Surfers Paradise, Trinity
Area 4 – South-Western end of facility to the pool	AB Paterson, All Saints, Lawrence, Pimpama, Sharks, Somerset
Area 5 – next to Control Room	Southport Olympic

Pool Deck Access and Flow

Walkways around the pool and staircases are always to be kept clear and unobstructed, with no congregating. These walkways provide access to all necessary areas of the pool and should be utilised to get to the competition and warm-up/warm-down pool, to speak to your coaches next to the coaches' area, the toilets / change rooms, the competition area entry and exit, if required.

Self-Marshalling

This is a self-marshalling event. Please be mindful of your events, heats and lane numbers. Due to the constricted nature of the area, there will only be a maximum of 4 heats behind the blocks for 50m and 100m events, 2 heats for the 200m and over events. There will be an overflow zone beside the diving pool on the Broadwater side of the complex, as indicated on the map. There will be a check starter in this area to verify your heat and lane numbers, but please follow the below instructions, as there will be NO lane chiefs for this meet, however SGC will be providing at least 1 check starter. If you happen to miss your race, please attend the help desk, who will inform the referee. At the discretion of the referee, you will then be placed into an available heat, if possible.

Team managers may be utilised by each club to assist swimmers throughout the day, as required. There are no set numbers around team managers, but it is to be determined by each club and their needs. SGC requests that clubs be sensible with this and limit their numbers to the absolute necessity due to the large number of swimmers and coaches at this event.

Please assist your team managers by making yourself known to them on arrival, listening and ensuring you are paying attention to their given directions. Also, ensure that you have your events, heats and lanes marked on your arm with black marker, as pictured. This information can be found in the program.

Food and Drinks

All meet attendees are encouraged to bring some snacks and drink with you to the meet. There will be a BBQ on both days provided by Emmanuel College Swim Club, serving the food as outlined in the advert on page 13.

Emmanuel College are accepting cash and card, at the BBQ. Menu pricing is on page 13 of the program. The BBQ location is on the map, at the south-western corner of the facility. Please ensure you place rubbish in the bins provided, especially if you drop anything.

Drinks are able to be purchased at the aquatic centre reception, whilst Café Catalina will be open for business over the weekend as well. However, in order to fit your dietary requirements, it may be necessary to bring your own food and drink.

Spectators

Spectators are encouraged to come and cheer on their swimmers and be present as a positive supporter. Due to the large number of swimmers present over the weekend, we kindly ask that parents please situate themselves in the top tier of seating on the eastern (Broadwater) side of the pool opposite the diving pool. We also encourage swimmers to sit with their club and enjoy the atmosphere and help build a great team bond and culture.

REMINDER: No shade or rain protection will be provided for spectators, this must be brought in, if required, by the spectators. It is Gold Coast Aquatic Centre requirements that any tent or shade structures must be weighted or tied down. Club tents can be utilised for spectators if organised with / by your club. Tent pegs **MUST NOT** be hit into the ground.

Merchandise – Team Elite

Team Elite selling merchandise and handing out the pre-ordered purchases in the area outside the Technical Officials Room under the concourse in Area 1 on the above facility map. Feel free to make your way over to grab some great merchandise. It will be next to the Medal Desk.

Volunteers

The following page has a detailed outline of the requirements for each club's volunteers. If you are unsure of your role for each session, please speak to your club prior to attending, so we do not have any issues on the day. As stated above, club volunteers can be rotated throughout the session at the direction of your club.

Timekeepers (incl. Chief) – there will be a meeting behind blocks of lane 0 and 1, at the northern end of the pool, at 8.20am on Saturday and 8.20am on Sunday for a briefing.

If all other volunteers could please be at the pool approximately 8:00am and make yourself known to meet directors (Michelle Schafer and/or Leisa Clayton – wearing Blue SGC polos), or please wait near the help desk, that would be greatly appreciated.

PLEASE NOTE: our swimmers train particularly hard to achieve their own personal goals and progress along the performance pathway. Timekeeping, especially when there are no touchpads, is an incredibly important role and vital in helping these kids fairly achieve their goals. SGC asks that whilst timekeeping you please stay off your phone and be present, to capture the correct time for each and every swimmer in your allocated lane.

Again, **THANK YOU** to the following volunteers for assisting Swimming Gold Coast in running these Championships.
