

St Hilda's Aquatics

St Hilda's Aquatics caters for a broad range of abilities, from Australian Dolphins Athletes, National Open and Age champions, to new swimmers just taking the plunge as part of our Learn to Swim Program. All our programs are technique focused, and skill-and ability-based. As such, each swimmer trains at a level of equivalent age, dedication, fitness and competitive desire.

Our programs run year-round in a 9-lane heated Pool with an onsite gym. St Hilda's Aquatics is open to students and non St Hilda's students, both male and female. Whatever level you aspire to as a swimmer, you will find our club welcoming, inclusive and supportive.
