There will only be a maximum of 4 heats behind the blocks for 50m and 100m events and 2 heats for the 200m events. Please follow instructions, as there will be NO lane chiefs for this meet, however Somerset Swim Club will be providing at least 1 check starter. If you happen to miss your race, please attend the help desk, who will inform the referee. At the discretion of the referee, you will then be placed into an available heat, if possible.
2. Please ensure that you have your events, heats and lanes marked on your arm with black marker, as pictured. This information can be found in the program.
3. The 'one start' rule will be used at this meet.
4. The swimmers will position themselves behind their lanes, prior to the start. Check starters will be in attendance for swimmers, if required.
5. The Referee will call the swimmers to their position on their blocks with a long whistle blast.
6. For Backstroke events the swimmers will enter the water, feet first, on the first long whistle blast. Upon the second whistle, swimmers will assume their starting positions.
7. The Starter will call "take your marks"; the swimmers will assume their starting positions and remain stationary until the starting device is sounded.
8. Any swimmer may be disqualified if he/she delays the start or willfully disobeys an instruction from the Starter.
9. At the completion of each heat, swimmers will remain in their lanes until the final swimmer has completed his/her swim and will leave the water when directed to do so by the Referee, **by the side of the pool.**
10. All events are being run as timed finals.
11. Heats / events may be combined at the discretion of the Referee.

Competitors' Notes

1. This is a self-marshalling event. Please be mindful of your events, heats and lane numbers. There will only be a maximum of 4 heats behind the blocks for 50m and 100m events and 2 heats for the 200m events. Please follow instructions, as there will be NO lane chiefs for this meet, however Somerset Swim Club will be providing at least 1 check starter. If you happen to miss your race, please attend the help desk, who will inform the referee. At the discretion of the referee, you will then be placed into an available heat, if possible.
2. Please ensure that you have your events, heats and lanes marked on your arm with black marker, as pictured. This information can be found in the program.
3. The 'one start' rule will be used at this meet.
4. The swimmers will position themselves behind their lanes, prior to the start. Check starters will be in attendance for swimmers, if required.
5. The Referee will call the swimmers to their position on their blocks with a long whistle blast.
6. For Backstroke events the swimmers will enter the water, feet first, on the first long whistle blast. Upon the second whistle, swimmers will assume their starting positions.
7. The Starter will call "take your marks"; the swimmers will assume their starting positions and remain stationary until the starting device is sounded.
8. Any swimmer may be disqualified if he/she delays the start or willfully disobeys an instruction from the Starter.
9. At the completion of each heat, swimmers will remain in their lanes until the final swimmer has completed his/her swim and will leave the water when directed to do so by the Referee, **by the side of the pool.**
10. All events are being run as timed finals.
11. Heats / events may be combined at the discretion of the Referee.
12. The Referee will be the sole arbitrator of all disputes and their decision will be final.
