ADDITIONAL NOTES FOR THE EVENTS

After last year's success, Swimming Gold Coast have embraced the more inclusive structure for ALL swimming members as part of our Relay Championships. As such, we are again implementing a system that will allow swimmers that would normally miss out on swimming relays the opportunity to swim. **PLEASE NOTE that there may be some teething issues and subject to available numbers, so we ask that you all be patient with this process.**

Community Relay – This is an event that is being organised by SGC on an invitation basis that will involve different stakeholders from within the swimming community. There will be no nominations involved for this relay and is designed to be a bit of fun on the day.

Mixed Club Multi-Class Relay (event 14) – We are continuing with a Multi-Class relay at the Championships, to ensure that all swimmers have an opportunity to compete in a relay that they are eligible to swim in. Given that there may not be enough eligible swimmers in each or even any club, we are allowing swimmers to compete in a mixed club format. Swimmers will be emailed directly and will be manually entered. Note: if there are uneven numbers a solution will be formulated at the time to ensure that all MC athletes get to swim in this MC specific relay.

All relays from event 1-9 & 15-23 – Please enter your swimmers as per normal on Swim Central following the process regarding nominating relay teams.

All relays from event 10-13 & 24-27 – Please enter your swimmers as per normal on Swim Central following the process regarding nominating relay teams. If you have extra swimmers that you cannot make up a team with, then please include them as alternates in your final team for that event. For instance, if you have 7 swimmers available to swim, please put all 7 into your first team and SGC will take the 3 alternates / reserves and put them into a mixed club team on the day, so they don't miss out. If you require them on the day due to withdrawals, then you will be able to take them back and we will re-sort the mixed team relays. If you do not have enough swimmers available (say only 2 swimmers for a particular event), then please email the details of these 2 swimmers to president@swimminggoldcoast.org.au and we will put them into a mixed club team so they can participate. If you have any enquires regarding this, please reach out to:

SGC President, Warren Dopson – president@swimminggoldcoast.org.au or

SGC Secretary, Michelle Schafer – secretary@swimminggoldcoast.org.au
