AUSTRALIA**

NATIONAL INTEGRITY FRAMEWORK

WHAT IS THE NATIONAL INTEGRITY FRAMEWORK?

The National Integrity Framework is a suite of policies which sets out rules for unacceptable behaviour in your sport and explains the way Complaints about breaches of these rules are managed.

The Framework was developed by the independent government agency Sport Integrity Australia in consultation with sports to keep your sport safe and fair.

The Framework is a set of rules that all members of your sport need to follow when it comes to their behaviour and conduct in your sport.

There are four core policies which make up the National Integrity Framework. These are:

1. Safeguarding Children and Young People Policy
2. Member Protection Policy
3. Competition Manipulation and Sports Gambling Policy
4. Improper Use of Drugs and Medicines Policy

These policies outline what types of behaviour are unacceptable in your sport – these behaviours are called Prohibited Conduct. Prohibited Conduct is an action that is a breach of a policy – for example, bullying is Prohibited Conduct under the Member Protection Policy.

These core policies are underpinned by the Complaints, Disputes and Discipline Policy.

The Complaints, Disputes and Disciplines Policy explains how people who have breached a National Integrity Framework policy are held accountable for doing the wrong thing.

Under this policy, any person or organisation who breaches a policy may be sanctioned. A sanction could range from mandatory education all the way up to a ban from participating in sport.

Under the National Integrity Framework, Sport Integrity Australia can manage all Complaints about discrimination, or any behaviour which might be considered Prohibited Conduct under the Safeguarding Children and Young People Policy.

This means that the majority of Complaints under the National Integrity Framework, including the highest risk and most complex Complaints, will be handled independent of the sport where they occurred.

All other Complaints under the National Integrity Framework can be made to your sport, who will handle these Complaints under the Complaints, Disputes and Discipline Policy.

This means, whether a Complaint is handled by Sport Integrity Australia or your sport, there is a consistent process for handling Complaints.

What does it mean for me?

As a member of a sport that has signed up to the National Integrity Framework, if someone behaves poorly by breaching one of the Policies, you can make a Complaint about the breach.

WWW.SPORTINTEGRITY.GOV.AU

If the Complaint is about Safeguarding Children and Young People or Discrimination, you can make the Complaint to Sport Integrity Australia. All other Complaints can be made to your sport.

If the person is found to have breached a policy, they may be sanctioned. Similarly, if you breach a National Integrity Framework policy, you could be sanctioned.

Issues to Report to Sport Integrity Australia

Anything that may constitute Prohibited Conduct under the **Safeguarding Children and Young People Policy**, or that may constitute **discrimination** based on a protected characteristic, should be reported to Sport Integrity Australia.

This includes conduct such as:

- Misconduct with a child or young person
- Sexual behaviour with or around a child or young person
- Shaming, humiliating, intimidating or belittling a child or young person
- Causing a child or young person physical pain or discomfort
- Breaching the Children and Young People Safe Practices
- Supplying of drugs or alcohol to a child or young person
- Discrimination based on:
 - race or ethnicity
 - age
 - disability
 - sex or sexual orientation
 - religion
- Doping (managed under the sport's Anti-Doping Policy)

You can also report any Prohibited Conduct under the Member Protection policy, **if it involves a child or young person**.

To report Prohibited Conduct, visit [Making an Integrity Complaint or Report](#).

Issues to Report to your sport

Your sport will manage complaints on all other National Integrity Framework matters, as well as continuing to manage complaints on non-NIF issues.

This includes conduct such as:

- Abuse between adults
- Bullying between adults
- Harassment between adults
- Victimisation of an adult
- Sexual Misconduct between adults
- Match, race or competition fixing and other types of Competition Manipulation
- Supplying inside information for the purposes of gambling
- Betting by members on their own sport
- Unlawful use of over the counter or prescription drugs
- Inappropriate use or provision of supplements
- Use, possession or trafficking of illegal drugs
- Concealing information about Prohibited Conduct
- Selection and eligibility disputes
- Competition Rules disputes
- Code of Conduct breaches
- Social Media Policy breaches
- Governance misconduct
- Employment disputes
- Complaints that are solely a Personal Grievance
- Whistleblower disclosures
- Any conduct that occurred before your sports commencement date
- Any other policies that your sport has

To report any of the above, contact your sport.

Competitors' Notes

16. Self Marshalling will be used for these Championships and swimmers will need to be in the self-marshalling zone at least 2 heats prior to the commencement of their heat for 200m events and over or 4 heats prior for 50m and 100m events. It is the swimmers' responsibility to keep track of proceedings and to be in the self-marshalling zone at the appropriate time, as well as collecting their belongings. **SWIMMERS ARE NOT TO WAIT BEHIND THE BLOCKS MORE THAN 2 HEATS IN ADVANCE – THEY MUST BE IN THE SELF MARSHALLING ZONE**
17. The 'one start' rule will be used at this meet.
18. The swimmers will position themselves behind their lanes, prior to the start. Check starters will be in attendance for swimmers, if required.
19. The Referee will call the swimmers to their position on their blocks with a long whistle blast.
20. For Backstroke events the swimmers will enter the water, feet first, on the first long whistle blast. Upon the second whistle, swimmers will assume their starting positions.
21. The Starter will call "take your marks"; the swimmers will assume their starting positions and remain stationary until the starting device is sounded.
22. Any swimmer may be disqualified if they delay the start or willfully disobey a Starters instruction.
23. At the completion of each heat, swimmers will remain in their lanes until the final swimmer has completed his/her swim and will leave the water immediately following the start of the proceeding heat, or when directed to do so by the Referee, **by the side of the pool**.
24. If you miss your heat, you are to quickly make your way over to the Help Desk to report the incident. The referee will then decide if you can be allocated into a new heat to swim. This is not guaranteed, and you should be aware of when you are required to swim.
25. All events are being run as timed finals.
26. Heats / events may be combined at the discretion of the Referee.
27. All protests are to be submitted in writing by the responsible team manager together with a \$100 deposit to the Referee no later than 30 minutes after the announcement of the results or disqualifications. Forms can be found at the Help desk, situated at the start end of the pool on the Broadwater side of the complex.
28. The Referee will be the sole arbitrator of all disputes and their decision will be final.

Check-In Times

29. All events of 400m and over (400m IM, 400m Free, 800m Free and 1500m Free) require swimmers (or their Coach / Team Manager) to confirm their intention to swim at the Help Desk a minimum of one hour prior to the published start time of the relevant event. 31. Any swimmer who has not confirmed their intention to swim one hour prior to the published start time for the relevant event **WILL** be deemed a withdrawal and the event may be reseeded.

IMPORTANT INFORMATION

Below are the key pieces of information that active participants (coaches, swimmers, team managers, technical officials and volunteers) need to know prior to and at the event.

Venue Access - Entry Procedure

Entry will be through the main entrance to the Gold Coast Aquatic Centre.

Gates will be open for all attendees from 7.00am on Saturday and 7.30am on Sunday. The facility will be open prior to this for SGC Officials and event organisers, however, **PLEASE DO NOT ATTEMPT TO GAIN ENTRY INTO THE FACILITY PRIOR, if you are not part of the event team.**

Allocated Seating Areas

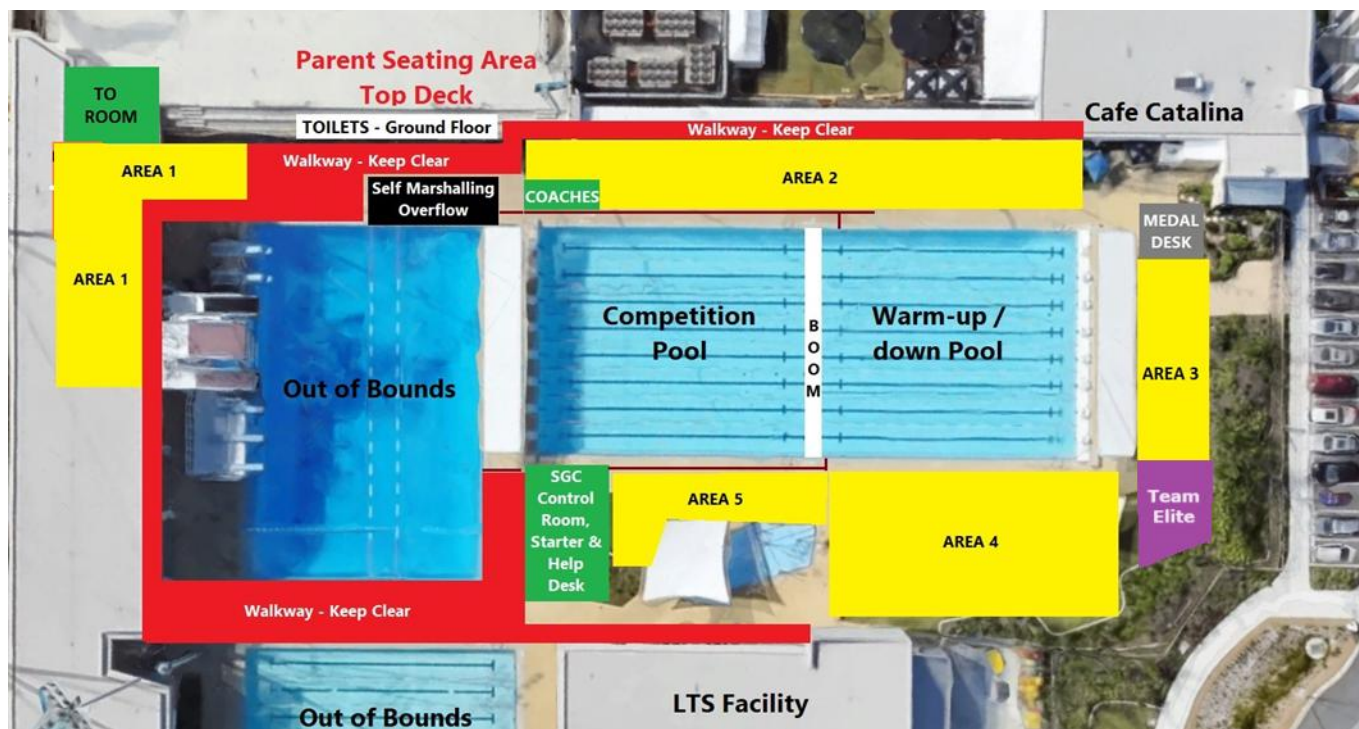

Each club has been allocated to a specific section of the pool to be used throughout the duration of the meet. It is **important** for swimmers / coaches and team managers to sit in their clubs' allocated section. Due to the large numbers of entrants, seating will be particularly tight, so please be mindful of others when setting up and keep your own personal space to a minimum.

NOTE: tents will be required in all areas (except area 1). Toilet entrances MUST remain clear. Tents MUST NOT be brought into the facility prior to Saturday morning. ALL tents must also be secured with weights as pegs are not to be used. Also, when setting up tents, they are to be set up with as narrow a footprint as possible, with the second tent (if applicable) placed behind the first tent, NOT alongside it.

Areas have been allocated accordingly:

Saturday & Sunday (Location allocations the same on both days)

Area	Clubs (no. of active participants)
Area 1 – Under concourse and in front of spa area	Bond, St Hilda's, TSS
Area 2 – Between walkway and pool	Emmanuel, Helensvale, Miami – please make area 6m x 6m before expanding wider
Area 3 – Southern end of the pool	Belgravia, Griffith Uni, Guardian Angels, Gullivers Coomera, Kennedy Pacific, Superfish, Trinity (Top Deck)
Area 4 – South-Western end of facility to the pool	AB Paterson, All Saints, Lawrence, Pimpama, Runaway Bay, Somerset, all visiting clubs and international guests (Grafton, Maclean, Kingscliff, Maclean, New Zealand St Peters Western, Twin Towns, Uni of QLD.
Area 5 – next to Control Room	PBC, Southport Olympic

Pool Deck Access and Flow

Walkways around the pool and staircases are always to be kept clear and unobstructed, with no congregating. These walkways provide access to all necessary areas of the pool and should be utilised to get to the competition and warm-up/warm-down pool, to speak to your coaches next to the coaches' area, the toilets / change rooms, the competition area entry and exit, if required.

Self-Marshalling

This is a self-marshalling event. Please be mindful of your events, heats and lane numbers. Due to the constricted nature of the area, there will only be a maximum of 4 heats behind the blocks for 50m and 100m events, 2 heats for the 200m and over events. There will be an overflow zone beside the diving pool on the Broadwater side of the complex, as indicated on the map. There will be a check starter in this area to verify your heat and lane numbers, but please follow the below instructions, as there will be NO lane chiefs for this meet, however SGC will be providing at least 1 check starter. If you happen to miss your race, please attend the help desk, who will inform the referee. At the discretion of the referee, you will then be placed into an available heat, if possible.

Team managers may be utilised by each club to assist swimmers throughout the day, as required. There are no set numbers around team managers, but it is to be determined by each club and their needs. SGC requests that clubs be sensible with this and limit their numbers to the absolute necessity due to the large number of swimmers and coaches at this event.

Please assist your team managers by making yourself known to them on arrival, listening and ensuring you are paying attention to their given directions. Also, ensure that you have your events, heats and lanes marked on your arm with black marker, as pictured. This information can be found in the program.

Food and Drinks

All meet attendees are encouraged to bring some food and drink with you to the meet. There will be a BBQ provided on both days of the event, Saturday by Southport Olympic and Sunday by St Hildas Aquatic.

Drinks are able to be purchased at the aquatic centre reception, whilst Café Catalina will be open for business over the weekend as well and have been notified of the absence of a BBQ at the meet and have put on extra staff. However, in order to fit your dietary requirements, it may be necessary to bring your own food and drink.

Spectators

Spectators are encouraged to come and cheer on their swimmers and be present as positive supporters. Due to the large number of swimmers present over the weekend, we kindly ask parents to please situate themselves in the top tier of seating on the eastern (Broadwater) side of the pool opposite the diving pool. We also encourage swimmers to sit with their club and enjoy the atmosphere and help build a great team bond and culture.

REMINDER: No shade or rain protection will be provided for spectators, this must be brought in, if required, by the spectators. It is Gold Coast Aquatic Centre requirements that any tent or shade structures must be weighted or tied down. Club tents can be utilised for spectators if organised with / by your club. Tent pegs **MUST NOT** be hit into the ground.

Merchandise – Team Elite

Team Elite are selling merchandise and handing out the pre-ordered purchases in the area at the southwestern end of the training pool in Area 3 on the above facility map. Feel free to make your way over to grab some great merchandise.

Volunteers

The following page has a detailed outline of the requirements for each club's volunteers. If you are unsure of your role for each session, please speak to your club prior to attending, so we do not have any issues on the day. As stated above, club volunteers can be rotated throughout the session at the direction of your club.

Timekeepers (incl. Chief) – there will be a meeting behind blocks of lane 0 and 1, at the northern end of the pool, at 8.20am on Saturday and 8.50am on Sunday for a briefing.

If all other volunteers could please be at the pool approximately 8:00am and make yourself known to meet director (Kathy Sawoniewski – wearing the Blue SGC polo), or please wait near the help desk, that would be greatly appreciated.

PLEASE NOTE: our swimmers train particularly hard to achieve their own personal goals and progress along the performance pathway. Timekeeping, especially when there are no touchpads, is an incredibly important role and vital in helping these kids fairly achieve their goals. SGC asks that whilst timekeeping you please stay off your phone and be present, to capture the correct time for each and every swimmer in your allocated lane.

Again, **THANK YOU** to the following volunteers for assisting Swimming Gold Coast in running these Championships.
