# Welcome to the Belgravia GC Development Meet

## President's Message

On behalf of the Belgravia Swim Team Gold Coast, I would like to welcome you to our inaugural 'development swim carnival' at Nerang Aquatic Centre. We hope that you and your family have fun and enjoy the day. This development meet is targeted towards our emerging swimmers who one day may go on to become part of our Australian Dolphins Team, become a coach, a volunteer, or better still lifelong lovers of the sport.

I would like to thank our sponsors who have generously donated some amazing prizes for our raffles today. Thank you to our committee who are new to their roles and have worked tirelessly to pull this meet together in a short time. Thank you to Warren Dobson, Jane White, and the officials from Gold Coast Swimming for their support in the lead up to this meet who generously gave up their time today. We also must acknowledge our coaches who work with our kids daily, so they are able to enjoy and compete in this wonderful sport. For our club in particular, a special mention to Ed, Adele, Chris, and Sandi M. Thank you to our volunteer parents who have assisted with the running of this meet today. Lastly, thank you to Daniel (the pool manager) of the Nerang Aquatic Centre for his support of this meet.

I hope that all the swimmers competing today have fun and achieve their goals for the meet. I will see each of you racing today in the marshalling area.

*Jenny Zehntner*

## Coach Message

Welcome to you all. As a growing club, we are excited to become more involved in the wonderful Gold Coast Swimming community by hosting this, our first meet. We feel privileged to have such a great facility for our athletes to train in and we are thrilled to share this with you all. Our club is young, but passionate about helping our athletes achieve their goals, and we hope you all achieve great things today.

Our athletes train hard, as I know you all do too, and our club has a full training schedule, as seen below, to cater for all athletes' needs. If you are in the Nerang area, or are moving closer to us here, please feel free to contact us to see if we can help your athletes achieve their goals.

Happy Swimming,

Mr Ed Anderson [Ed.Anderson@belgravialeisure.com.au](mailto:Ed.Anderson@belgravialeisure.com.au)

## General Notes

All Swimming Queensland General Rules, Championship By-Laws, SAL & FINA rules apply. The Referee and Technical Manager have authority to control heats at their discretion and may combine heats/events if and where necessary. 1st, 2nd and 3rd placings in the Age Championship will be determined from the OFFICIAL TIMES swam in the heats. Medals will be awarded for age champions, for ages 8, 9, 10 and 11. Due to rule tolerances, 25m events are not included in age championship calculations. Age calculations will be determined by highest number of points achieved in six (6) events.

In nominating for this meet, swimmers and their parents / guardians also acknowledge their acceptance of the SGC Code of Conduct, found on the SGC website – [HERE](#).

Queries regarding any disqualification **MUST** be made by a club coach or club official only. Technical officials will not be made available to any parents / spectators regarding swimmer disqualification.

## Marshalling

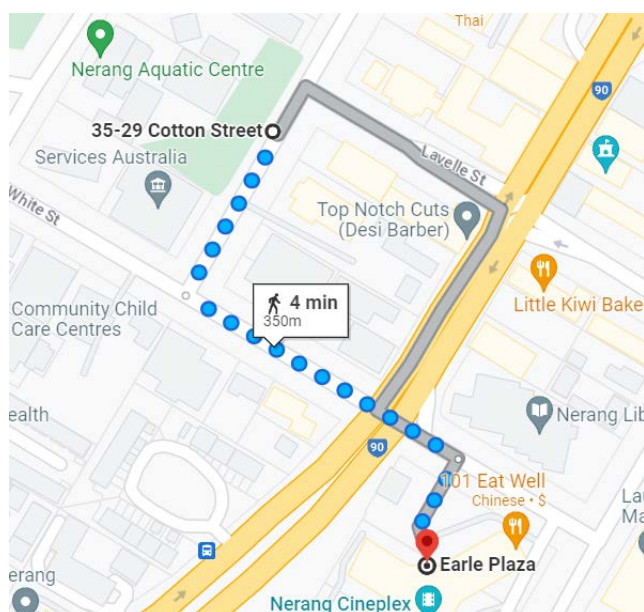

Competitors should be in the marshalling zone (holding area) 4 heats prior to their own heat for all events.

## Warm-up Procedures

Coaches shall co-operate by giving every competitor the best opportunity possible to prepare for his/her events. Warmups for the meet will commence at 8.00am and will conclude at 8.45am. At the conclusion of the warm-up period, Coaches shall co-operate by having their team members leave the pool promptly when requested to do so. The interval between having to clear the pool and the commencement of the meet is required so that the pool staff can prepare the pool for competition. In the interest of all swimmers' safety, the following pool procedures must be observed throughout the warm-up periods. Lane 0 only is reserved through the whole of the warm-up period for 25 metre sprints with a dive entry from the eastern end of the pool.
