NATIONAL INTEGRITY FRAMEWORK

WHAT IS THE NATIONAL INTEGRITY FRAMEWORK?

The National Integrity Framework is a suite of policies which sets out rules for unacceptable behaviour in your sport and explains the way Complaints about breaches of these rules are managed.

The Framework was developed by the independent government agency Sport Integrity Australia in consultation with sports to keep your sport safe and fair.

The Framework is a set of rules that all members of your sport need to follow when it comes to their behaviour and conduct in your sport.

There are four core policies which make up the National Integrity Framework. These are:

1. Safeguarding Children and Young People Policy
2. Member Protection Policy
3. Competition Manipulation and Sports Gambling Policy
4. Improper Use of Drugs and Medicines Policy

These policies outline what types of behaviour are unacceptable in your sport – these behaviours are called Prohibited Conduct. Prohibited Conduct is an action that is a breach of a policy – for example, bullying is Prohibited Conduct under the Member Protection Policy.

These core policies are underpinned by the Complaints, Disputes and Discipline Policy.

The Complaints, Disputes and Disciplines Policy explains how people who have breached a National Integrity Framework policy are held accountable for doing the wrong thing.

Under this policy, any person or organisation who breaches a policy may be sanctioned. A sanction could range from mandatory education all the way up to a ban from participating in sport.

Under the National Integrity Framework, Sport Integrity Australia can manage all Complaints about discrimination, or any behaviour which might be considered Prohibited Conduct under the Safeguarding Children and Young People Policy.

This means that the majority of Complaints under the National Integrity Framework, including the highest risk and most complex Complaints, will be handled independent of the sport where they occurred.

All other Complaints under the National Integrity Framework can be made to your sport, who will handle these Complaints under the Complaints, Disputes and Discipline Policy.

This means, whether a Complaint is handled by Sport Integrity Australia or your sport, there is a consistent process for handling Complaints.

What does it mean for me?

As a member of a sport that has signed up to the National Integrity Framework, if someone behaves poorly by breaching one of the Policies, you can make a Complaint about the breach.

If the Complaint is about Safeguarding Children and Young People or Discrimination, you can make the Complaint to Sport Integrity Australia. All other Complaints can be made to your sport.

If the person is found to have breached a policy, they may be sanctioned. Similarly, if you breach a National Integrity Framework policy, you could be sanctioned.

Issues to Report to Sport Integrity Australia

Anything that may constitute Prohibited Conduct under the **Safeguarding Children and Young People Policy**, or that may constitute **discrimination** based on a protected characteristic, should be reported to Sport Integrity Australia.

This includes conduct such as:

- Misconduct with a child or young person
- Sexual behaviour with or around a child or young person
- Shaming, humiliating, intimidating or belittling a child or young person
- Causing a child or young person physical pain or discomfort
- Breaching the Children and Young People Safe Practices
- Supplying of drugs or alcohol to a child or young person
- Discrimination based on:
 - race or ethnicity
 - age
 - disability
 - sex or sexual orientation
 - religion
- Doping (managed under the sport's Anti-Doping Policy)

You can also report any Prohibited Conduct under the Member Protection policy, **if it involves a child or young person**.

To report Prohibited Conduct, visit [Making an Integrity Complaint or Report](#).

Issues to Report to your sport

Your sport will manage complaints on all other National Integrity Framework matters, as well as continuing to manage complaints on non-NIF issues.

This includes conduct such as:

- Abuse between adults
- Bullying between adults
- Harassment between adults
- Victimisation of an adult
- Sexual Misconduct between adults
- Match, race or competition fixing and other types of Competition Manipulation
- Supplying inside information for the purposes of gambling
- Betting by members on their own sport
- Unlawful use of over the counter or prescription drugs
- Inappropriate use or provision of supplements
- Use, possession or trafficking of illegal drugs
- Concealing information about Prohibited Conduct
- Selection and eligibility disputes
- Competition Rules disputes
- Code of Conduct breaches
- Social Media Policy breaches
- Governance misconduct
- Employment disputes
- Complaints that are solely a Personal Grievance
- Whistleblower disclosures
- Any conduct that occurred before your sports commencement date
- Any other policies that your sport has

To report any of the above, contact your sport.

IMPORTANT INFORMATION

SGC Regional Relay Championships

The most fun day of racing on the Gold Coast!

In nominating for and competing in the 2025 Swimming Gold Coast Regional Relay Championships, you have agreed to adhere to Swimming Gold Coast Code of Conduct – found [HERE](#). If you are found to be in obvious and reckless breach of the stated requirements, you may be withdrawn from your events and asked to leave the facility.

Venue Access - Entry Procedure

Entry will be open for all attendees from 7.30am. The facility will be open prior to this for members of the public, but we ask all attendees to please wait until after 7.30am to allow general users access to the facility.

Allocated Seating Areas

NOTE: due to the large numbers of swimmers, if you are not assisting as a team manager or SGC volunteer, including timekeepers, can you please sit in the top deck concourse on either side.

Each club has been allocated to a specific section of the pool to be used throughout the duration of the meet, in undercover areas for seating. It is important for clubs to use a section, within the designated area for their club and ensure their swimmers are within this section.

SGC is also strongly encouraging **ALL** clubs to bring club tents along to place in the concourse area, outside of the officials' zone, on either side of the pool, to create an exciting atmosphere cheering on their teammates. No seating is to be under the tents, it is an area for standing and cheering your clubmates.

See below for the seating allocation for Saturday.

Area	Clubs (no. of swimmers)	Swimmers
Area 1 – Pool Deck	AB Paterson (35), All Saints (13), Emmanuel (47), Helensvale (73), Trinity Aquatic (33)	201

Pool Deck Level

Pool Deck Access and Flow

Walkways around the pool and staircases are to be always kept clear and unobstructed, with no congregating within these areas. These walkways provide access to all necessary areas of the pool and should be utilised to get to the competition and warm-up/warm-down pool, to speak to your coaches next to the coaches areas, the toilets / change rooms, the entry / exit and to Café Catalina, if required.

Self-Marshalling

This is a self-marshalling event. Please be mindful of your events, team, heats and lane numbers. Your team is to report to the self marshalling zone at least 2 heats prior to your own, so your team and swimmer order can be marked off. If you happen to miss your race, the SGC Check Starter will take you to the help desk, who will inform the referee and control room. At the discretion of the referee, you will then be placed into an available heat.

Team managers have been allocated by each club to assist swimmers throughout the day at each end of the pool. Please assist your clubs team managers by listening and ensuring you are paying attention to the given directions. Team managers will be made up of club parents or coaches, so please make yourself known to them on arrival.

Food and Drinks

All meet attendees are encouraged to bring an adequate supply of food and drink with you to the meet. There will be a BBQ on the day, kindly operated by Griffith University Swimming Club at the northern end of the competition pool. Café Catalina is also open for takeaway orders, if you require. The facility and Café Catalina's are cash-free venues, so the Griffith BBQ will be accepting only card.

BE A STAR PARENT

LEARN MORE

Parents are a powerful influence in creating a safe, fair, and happy swimming environment.

When you are a **SUPPORTIVE, TOLERANT, AWARE,** and **RESPECTFUL** parent, your child will thrive, you will contribute to a positive club culture, and you will address integrity concerns constructively and via proper channels.

SUPPORTIVE

Back the committee, coaches, & all athletes, so everyone can enjoy their swimming journey.

TOLERANT

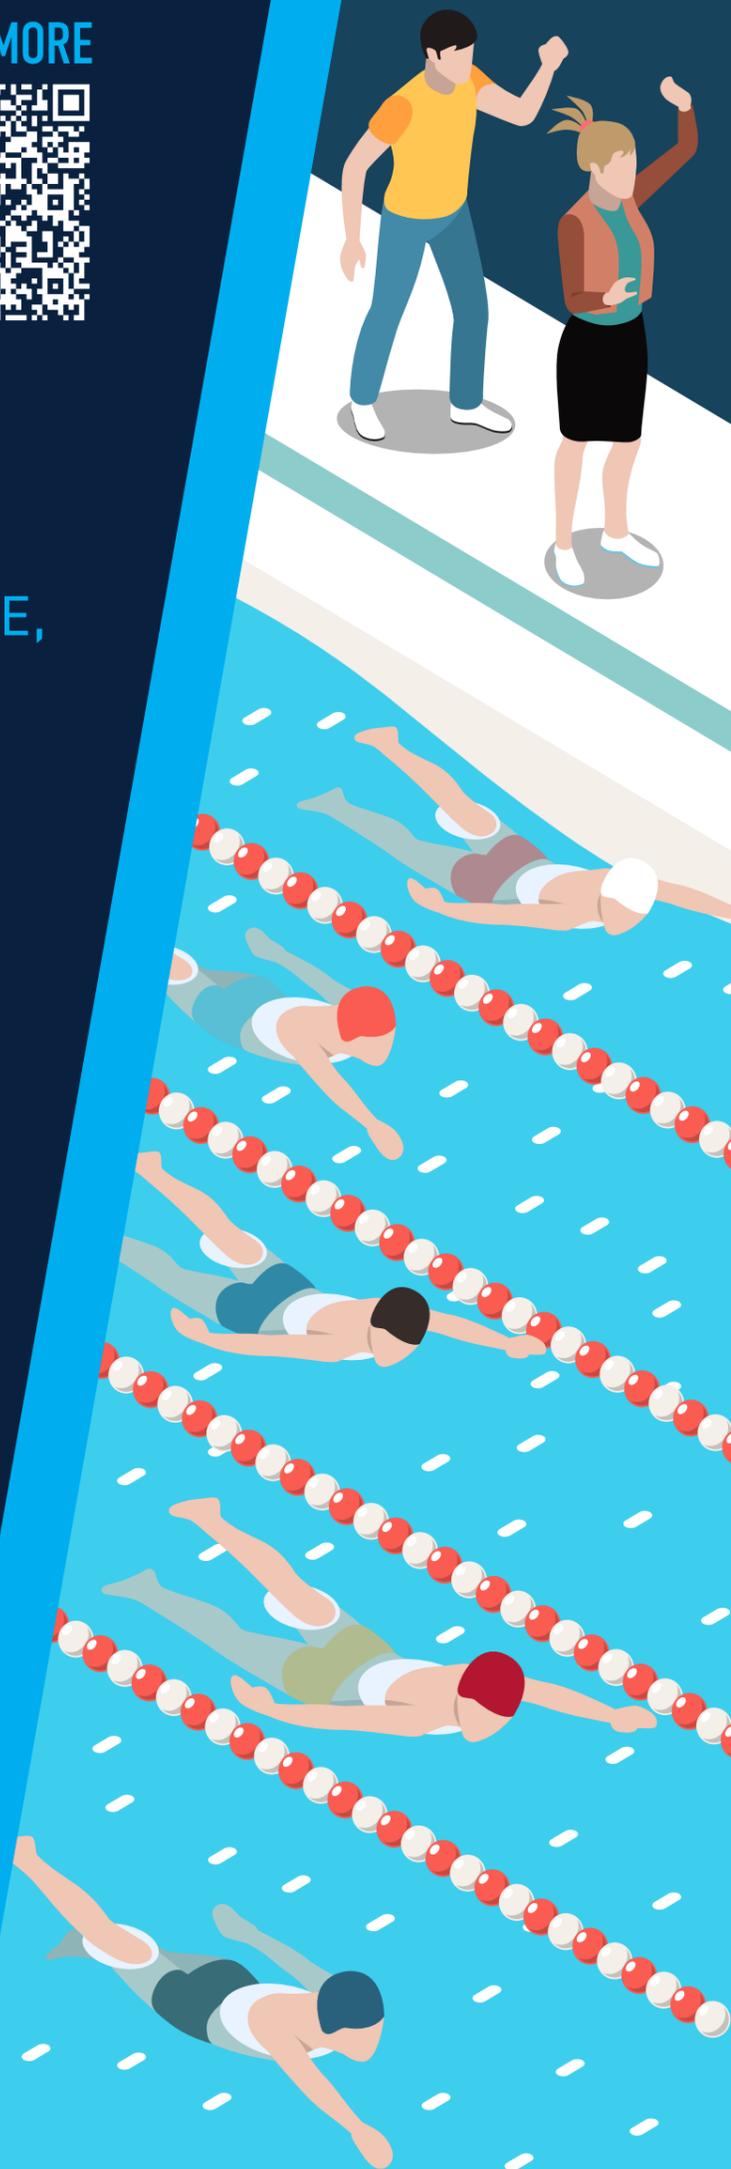

Be patient and understanding when the coach's decisions differ from your expectations.

AWARE

Be mindful of your behaviour as you can place pressure on your child and make the environment unpleasant for others.

RESPECTFUL

Appreciate the role of the coach and the contribution of the committee.

STAR PARENT GUIDELINES

- » Supportive
- » Tolerant
- » Aware
- » Respectful

SUPPORTIVE

- » Prioritise your child's enjoyment and wellbeing over results.
- » Choose the best program for your child and accept that it may change as they grow.
- » Support the committee, coaches, & all athletes, so everyone can enjoy their swimming journey.
- » Volunteer where possible and help the club deliver the best experience for all swimmers.

Example: Regularly check in with your child to see if they are enjoying swimming and talk openly about how they feel.

TOLERANT

- » Respect the program designed by the coach, including their advice about training, competition, and rest.
- » Be patient and tolerant when the coach's decisions differ from your expectations.
- » Understand that every swimmer develops at their own pace.

Example: If you disagree with a decision, organise a time to discuss it privately with the coach rather than interrupting during a session.

AWARE

- » Be mindful of your behaviour – it can directly affect your child. Avoid disputes that put unnecessary pressure on them.
- » Follow correct processes when raising concerns.
- » Be aware of your responsibilities:
- » Always be involved in reading, understanding and signing required documentation for overnight trips, photos, or videos.

Ensure your child is supervised outside of training/event times. Don't leave it for others.

Example: If you have a grievance, use the club's feedback or complaints process instead of bad-mouthing coaches or other parents' poolside.

RESPECTFUL

- » Speak to all coaches, committee members, and parents with courtesy, even when you disagree.
- » Be grateful for the opportunities your child is given, whether it's racing, training, or learning new skills.
- » Educate yourself on the National Integrity Framework and report poor conduct through the correct channels.

Example: Respect the coach's workplace. Avoid interfering during training sessions or events unless it's an emergency.

What STAR parents AVOID

- » Bad-mouthing other parents, coaches, or committee members.
- » Forcing your child to swim when they don't want to.
- » Transferring your own expectations or pressure onto your child.
- » Coaching the coach – let them do their job.
- » Being disruptive during training or competitions.
- » Getting into disputes that upset your child or other swimmers.
- » Walking past poor behaviour – instead, report it appropriately.
- » Being disengaged – your child needs your presence and positive involvement.

Key reminders for STAR Parents

- » Always act in the best interest of your child, not your ego or personal ambitions.
- » Notify the club if you're running late, if there's an issue, or if your child won't attend.
- » Help build a positive club culture by being constructive and solutions- focused.
- » Be a role model for your child and other parents.

Remember:

- » STAR parents create STAR athletes.
- » When you are Supportive, Tolerant, Aware, and Respectful, your child can thrive, the club culture stays positive, and any integrity issues are addressed.
