## **ADDITIONAL NOTES FOR THE EVENTS**

After last year's success, Swimming Gold Coast have embraced the more inclusive structure for ALL swimming members as part of our Relay Championships. As such, we are again implementing a system that will allow swimmers that would normally miss out on swimming relays the opportunity to swim, where possible. **PLEASE NOTE that there may be some teething issues and subject to available numbers, so we ask that you all be patient with this process.**

**Mixed Club Multi-Class Relay (event 14)** – We are continuing with a Multi-Class relay at the Championships, to ensure that all swimmers have an opportunity to compete in a relay that they are eligible to swim in. Given that there may not be enough eligible swimmers in each or even any club, we are allowing swimmers to compete in a mixed club format. Swimmers will be emailed directly and will be manually entered. Note: if there are uneven numbers a solution will be formulated at the time to ensure that all MC athletes get to swim in this MC specific relay. MC Swimmers will get an email directly from the SGC President regarding entries.

**All relays from event 1-9 & 15-23** – Please enter your swimmers as per normal on Swim Central following the process regarding nominating relay teams. Please ensure your reserves are added to your relay teams in Swim Central.

**All relays from event 10-13 & 24-27** – Please enter your swimmers as per normal on Swim Central following the process regarding nominating relay teams. If you have extra swimmers that you cannot make up a team with, then please include them as alternates in your final team for that event. For instance, if you have 7 swimmers available to swim, please put all 7 into your first team and SGC will take the 3 alternates / reserves and put them into a mixed club team on the day, so they don't miss out. If you require them on the day due to withdrawals, then you will be able to take them back and we will re-sort the mixed team relays. If you do not have enough swimmers available (say only 2 swimmers for a particular event), then please email the details of these 2 swimmers to [president@swimminggoldcoast.org.au](mailto:president@swimminggoldcoast.org.au) and we will put them into a mixed club team so they can participate, where possible. If you have any enquires regarding this, please reach out to:
